

PERSONAL CARE PROVIDER CHECKLIST

How to Make the Right Choice

Choosing the right personal care provider for yourself or a loved one is one of the most important decisions you'll make. Here are a few questions we recommend you ask to compare providers.

How can we help you? Call UDS Independent Living Resource Center at (888) 837-4235.

Recommended Questions:

- How long has the agency been in business?
- Is the agency licensed by the state?
- Are the Personal Care Attendants employed, trained and managed by the agency?
- Are the Personal Care Attendants insured and bonded?
- Do the Personal Care Attendants undergo state background checks?
- Are they able to care for clients who develop increasing physical limitations due to disability?
- Does the agency introduce a potential Personal Care Attendant to the client before placing them in the home?
- Do the Personal Care Attendants keep a detailed communication log for caregivers and family members?
- Is the agency able to provide related services for the clients' comprehensive needs – such as durable medical equipment and accessible home modifications?
- Does the agency offer its full-time employees health care insurance benefits?
