

We provide home care services to older adults and individuals with disabilities enabling them to enjoy independent living in the comfort of any place they call home.

Our goal is to improve and enrich each person's quality of life. Family members can have peace of mind, knowing that their loved one is receiving compassionate care.

"They know my needs better than I do sometimes. I have had the same aides for years. They do an amazing job, they are almost family."
 -- Ruth

Serving
Central and North Eastern, PA

Home Care Services

Here to serve you

Independent Living Services offers a wide range of in-home, non-medical personal care services to older adults, people with disabilities, and those recovering from an injury or surgery needing assistance. We can also arrange for personal care and support services to individuals in retirement homes, assisted living and skilled nursing facilities.

We are particularly proud of the quality of services we provide to our clients. Our Safety Mentors provide an additional level of care and quality assurance. Ask about our specially developed personal care recommendations to help you get started. Our caregivers are reliable and compassionate. All caregivers are trained, bonded, insured and receive criminal background checks.

Care provided

- Personal Care
- Sensitive, caring companionship
- Bathing and dressing assistance
- Meal planning and preparation
- Medication reminders
- Laundry and light housekeeping
- Shopping and errands
- Night time monitoring
- Transportation assistance
- Respite for family caregivers
- Updating of family members

Getting started

Independent Living Services can meet just about any need. We are flexible to your changing needs. So, whether it's a few hours a day, three days, a week or 24-hour in-home personal care, we'll be there for you.

Payment options

Depending on your needs and financial situation, our in-home personal care services may be paid privately, by Veteran's Aid, Long Term Care insurance, or in some cases, these services are funded through medical assistance money available from the state. Call for more information about need-assessment procedures and funding assistance eligibility.
