SPONSORSHIP OPPORTUNITIES

***Chip In to Help UDS Score an Ace for
Older Adults and People With Disabilities in Our Community!***

Service dogs are dedicated companions that provide more than puppy love—they can help with anxiety and panic attacks, navigation, guidance, retrieval of items, medical emergencies, emotional support, and much, much more. We train dogs to help individuals who have a mobility disability, autism, or Veterans with PTSD to help them live their possibility. Additionally, we train dogs to work in schools to help children who struggle to learn in the classroom.
